

# **NORTH TEXAS LMSC MEETING**

**November 17, 2001**

The meeting was held at a restaurant following a swim meet at the Landry Center. It was called to order at 3:30 p.m. The following individuals were present: Elizabeth Johnson, Bobby Patten, Mike Bonser, Nancy French, and Kim Shaw.

The group reviewed the minutes of last year's meeting. The only change made was in the reference to the year 1999, which should have been 2000. There was a Motion (M), it was Seconded (S), and Approved (A) to approve the minutes as amended.

There was a discussion of potential open water swims. Bobby said he may host one in April and Mike said that he would try to host one the week before Memorial Day.

The Treasurer, Kim Shaw, distributed copies of the LMSC financial report for 2000. It was MSA to accept the report.

The Top Ten recorder, Elizabeth Johnson, reported that all meet results were submitted timely. It was MSA to accept the top ten report.

The group discussed the possibility of distributing a newsletter. Most members felt that it would be a good idea to provide information as a supplement to the information on the website. Some examples of information that could be distributed were meet results and swimming records set by local swimmers. Another idea discussed was the possibility of sending out postcards announcing upcoming events.

Nancy provided the group with an update about the website. Nancy switched internet providers so the cost is now only \$100 per year. She mentioned that the invoice for the service would be arriving soon. The Treasurer instructed her to forward her request for reimbursement to the Registrar. Nancy mentioned that swimmers can register an e-mail address and receive information from the LMSC. She also requested that people provide her with information for the 2002 calendar.

The group discussed the concept of mini meets.

The group also discussed the fact that the LMSC by-laws need to be amended.

The group agreed to meet again in March 2002 after the swim meet.

The meeting was adjourned at 5:00 pm
